

REMARKS

Applicants respectfully request reconsideration of this application. Claims 1-7, 12, and 20-29 are pending.

In the Office Action, the Examiner provisionally rejected claims 1-7, 12, and 20-29 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-26 of copending Application No. 10/058,838. Applicants respectfully traverse the rejection. A terminal disclaimer in compliance with 37 C.F.R. § 1.321(c) is hereby submitted to overcome the provisional rejection based on the non-statutory double patenting ground. It is respectfully submitted that both the current application and the Application No. 10/058,838 are commonly owned by Intel Corporation.

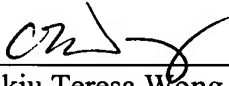

Accordingly, Applicants respectfully submit that the rejections have been overcome by the terminal disclaimer and the remarks and withdrawal of these rejections is respectfully requested. Applicants submit that claims 1-7, 12, and 20-29 are now in condition for allowance and such action is earnestly solicited.

If there are any additional charges, please charge Deposit Account No. 02-2666 for any fee deficiency that may be due.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP
